Learn. Share. Connect.

At our premier two-day petcoke conference, attendees from around the world receive cutting-edge petcoke market intelligence from top industry experts; hear strategies to overcome challenges facing the industry; and network with over 200 international industry participants.

The 20TH Annual Petcoke Conference begins the morning of March 12, 2021, when registrants will attend a full day of industry-relevant presentations covering a range of topics. The Conference concludes at noon on Saturday, March 13, following the morning presentations.

This is an excellent opportunity to attend sessions addressing the current and future state of our industry, and also meet with fellow attendees to discuss your company's needs. Our online event app will be available to attendees before the conference to make networking and meeting set-up a breeze.

Where

Join us at the [Hyatt Regency Orlando](#), ranked the #1 convention property in Florida five years in a row and offering attendees seven on-site dining options and 315,000 square feet of versatile meeting space.

We are closely monitoring developments related to the coronavirus disease (COVID-19), and will continue to do so leading up to the Conference. We rely on US Center for Disease Control, state and local standards, as well as Advisian's health and safety protocols for guidance in our conference planning. We are working closely with the Hyatt Regency Orlando to incorporate event planning best practices for the safety of our attendees.

As travel restrictions and containment strategies to address COVID-19 are rapidly changing, we will continue to monitor these developments and will update our plans as they develop. We are working hard to provide you with a safe and professionally rewarding conference.
